HIT DR. PARKER'S CAR Evidence in Court Showed That Too Much Liquor Cause of Collision.

As the result of an automobile accident near the Dugway Thursday night, in which the car owned by Dr. T. R. Parker of this city and a machine driven by Joseph Cote of Baltle Egured, the latter appeared before the court on Friday morning on the charge of reckless driving and was fined \$50 and costs by Judge Shea. The evidence in the case tended to show that Cote and his friends had been drinking and were to blame for the affair that damaged both cars to some extent.

R. A. Parker, son of Dr. Parker, who was driving the machine at the time of the accident, stated that as the other car showed no signs of turnthe other car showed no signs of turning out for him as it approached he slowed his car down almost to a standatill as far over on the right side of the road as he could get and he was in this position when the other car crashed into the front end of the car he was driving.

The testimony of the officers that made the arrests tended to show that the young men from Baltic were under the influence of liquor at the time.

Entire Body Covered With Watery Pimples Would Scratch Till Blood Came

Providence, R. I. Oct. 15, 1915.—
"Some time ago my skin began to break out in little pimples. These filled with water, and when they opened the watery fluid ran out and spread the trouble until my entire body from my face to my feet was covered. The itching was something terrible, and I would scratch until the blood came, and my skin would feel treatment for over twenty years. Sold by all druggists. ACTIVITIES AT Y. M. C. A. Ladies Show Much Interest in Swimming and Other Departments.

The easing of the Y. M. C. A. gym nasium and natatorium by the Wom-an's Physical Training Association will enable the association to offer three new activities, swimming, bowling and basketball, to the members of the association.

The awimming classes have already begun and each member is taught three or moke strokes, according to their ability and later first aid and rescue will be taught.

Special classes will be formed this year for the ladies who wish to take

ning and bowling or swimming ind dancing.

In the near future all of the active and sustaining members of the association will be given an opportunity o visit some of the classes. all of the gymnasium work will start about the middle of September which is somewhat earlier than in

revious years.

The committee feels that there is a real interest in the work when after three years, so many people, through the summer have asked or offered to become sustaining members of the as-sociation. Quite a few have given en-couragement by generous gifts, as they have realized the growth of the classes

Explaining "Tabby Cat." Few people are aware that the name "tabby cat" owes its origin to Atab, a famous street of Bagdad, chiefly occupied by the manufacturers of the silken stuffs called Atabi, our taffeta. The wavy markings of the watered silk resemble pussy's coat, and this is how "tabby" came into use as a common expression.
